

## Heavy Duty Fan Spray Valve

### Features and Benefits

- Designed to provide superior performance and durability for tough foodservice environments
- Interchangeable with all major brands
- Comes on all standard Encore® pre-rinse units
- Meets new EPA Class II water conservation requirements
- 1.15 gpm fan knife spray powers off debris quickly
- Impact resistant dish guard bumper
- Encore “Kool Grip” insulated handle. Reduces heat transfer to the hand; stays up to 30 degrees cooler than competitors’ grips
- Low lead brass construction
